Are you 60 years of age or older? Are you in need of extra help paying for groceries?

The Springfield Department of Elder Affairs and the MA Council on aging have teamed up in June of 2015 to assist seniors in Hampden County to educate about SNAP benefits, inform seniors about changes to SNAP, and help enroll seniors to get or increase SNAP benefits.

What we do:

- Meet with senior in their home
- Assist in completing application
- Assist in recertification
- Assist in increasing SNAP benefits
- Assist in gathering "Proof" documents
- Process application
- Follow up/Case management
